

WATER ACTIVITY, CANTON DU JURA

GUIDED RIVER FISHING TRIP

Christian Theuvenat (qualified instructor and FSP fishing guide) and the Sports-Loisirs shop will accompany you to the canton's rivers.

Whether it's a "discovery of the rivers of the Jura" or more technical coaching, whether you're alone or with a small group, our offers are sure to suit you.

Our suggestions:

- Guided exploration of the rivers of the Jura for a full or half day. Aimed at anglers who want to know the best areas and the most successful techniques at the moment.
- Coaching to perfect your fly fishing. Aimed at anglers who want to perfect themselves in the practice of this legendary and very popular method. Duration of the course 1.5 hrs.
- Introduction to fishing for families and groups. Getting to know the techniques of fishing in the river or pond. Aimed at people looking for convivial moments on the water. Duration 2 hrs.

On request, we will provide you with an offer tailored to the number of participants and the choice of topic.

In addition, we can also provide the equipment and fishing licences.
