# KOLJA (BNC)

Effervescent guitar sounds and spherical synths, carried by heavy beats and growling basses. This is the basis for Kolja's multi-layered and contrastful music. Influenced by the vastness of the internet, he mixes the most diverse elements to create a dark and suspenseful mood. With the support of drummer Tobi, bassist Michel and guitarist Philippe on stage, Kolja transports his inner images, emotions and thoughts closer to the audience.

Tobias Schramm: drums

Michel Spahr: bass

Philippe Vögeli: guitar

Kolja: keys, voc
